CERTIFICATE OF TEST

N° 79217127

We certify that the textile material declared

RETROREFLECTIVE MATERIAL
with separated performance, silver-grey colour
article MX 003

submitted by

Nanjing MXIN Reflective Material Co.Ltd.

**Address: Room 3-503, #1813 Hongyun Road, Jiangning District,
Nanjing, Jiangsu, China 211101**

has been tested by Centro Tessile Cotoniero e Abbigliamento Laboratory and
complies with the Standard:

EN ISO 20471:2013/A1:2016 - High-visibility warning clothing
for the following requirements:

- 6.1 Retroreflective performance requirements of new material
- 6.2 Retroreflective performance after abrasion, flexing, folding at cold temperatures, exposure to temperature variation, industrial washing (30 cycles at 75°C – tumble dry at 80°C), domestic washing (50 cycles at 60°C – tumble dry max 60°C), dry cleaning (30 cycles) and influence of rainfall

Full details of test conditions and results are given in:

Test report 17RA130607 15th December 2018

Date of issue
18th December 2018

Approved by PPE and
Certification Manager
Marco Colli

Notes:

- 1 The applied standards are those in force on the date on the present Certificate. The validity of the certificate is not assured if reviewed standards are issued
- 2 This certification must not be confused neither with the CE certificate of examination released by Notified Body or with the conformity declaration the manufacturer must release before CE Marking.
- 3 This certification applied to the particular sample tested and to the specific tests carried out as dated and detailed in the report referenced above. It does not signify any measure of approval, certification, supervision, control or surveillance by the Centro Tessile Cotoniero e Abbigliamento S.p.A. to this on any related product.
